VEHICLE RESCUE SERVICES IN SLOVAKIA:

Vehicle rescue services in Slovakia are available 24 hours 7 days a week. Vehicle rescues services are provided mostly by big service centres located in every city of Slovakia. Phone numbers for vehicle rescue vary in every city. Prices for vehicle rescue are between 0.49 – 0.82 EUR per kilometer, loading may be paid separately based on the particular car rescue company. Some companies may charge extra fee at weekends or holidays. For towing-away services are usually around 33,19 EUR EUR.

PUBLIC TRANSPORT:

TRAINS

Železnica spoločnosť Slovensko, a. s. is the railway company securing passenger transports. The most important railway track is the northern transversal from Bratislava over Zilina and Poprad to Kosice. It is recommended to purchase a seat card for the trains in the most frequented hours.

Slovakia is communicated via railway with several European metropolises (Prague, Vienna, Budapest, Warsaw, Krakow, Kiev, Moscow, Berlin, Munich, Bucharest...).
