## — THE HOTEL —

**NESTLED WITHIN THE COMMUNITY OF AL MOUJ MUSCAT, ENCOMPASSING OVER 6 KM OF STUNNING COASTLINE, KEMPINSKI HOTEL MUSCAT IS AN UNPARALLELED LUXURY DESTINATION IN THE CAPITAL OF OMAN.**

With 310 rooms and suites, 77 beach-front residences and villas, flexible meeting and events facilities, 11 diverse restaurants and lounges, a fully equipped fitness centre and a luxury spa, Kempinski Hotel Muscat is a gateway to an authentic Omani adventure. Guests can experience a melange of local traditions and world-class European luxury guaranteed to create unforgettable memories.

Designed by Woods Bagot, the Omani cultural influences are reflected in the hotel's architecture. The inspiration behind the lobby's design comes from nature and more specifically water lilies. Moreover, it is influenced by Al Alam Palace, the ceremonial palace of His Majesty Sultan Qaboos.

The ballroom leaves a strong first impression, with a concept inspired by an Arabic lantern

illuminated in the evening to reinforce the hotel as a landmark in Al Mouj Muscat.

The façade resembles an Omani fort and the landscape of Old Muscat - such as the Muttrah Corniche - a matrix of building structures outlining what was once a commercial centre.

### **European Luxury in the new “heart of Muscat”**

Al Mouj Muscat offers exceptional lifestyle and leisure experiences. With the location on the waterfront, hotel guests have access to the exclusive marina, exciting retail and dining facilities, signature PGA-standard golf course and so much more.
