

KEMPINSKI DISCOVERY App Booking Promotion Terms and Conditions

The KEMPINSKI DISCOVERY App Booking Promotion (the “Promotion”) applies to qualified eligible stays at all Kempinski hotels by GHA DISCOVERY members who have booked that stay via the Kempinski Hotels app. The Promotion allows members to earn a bonus of one hundred Promotional DISCOVERY Dollars (D\$100) on completed eligible stays in addition to the Base DISCOVERY Dollars earned on that completed stay.

To take advantage of the promotion, participants must be a member of the GHA DISCOVERY programme and must have accepted the GHA DISCOVERY programme [Terms & Conditions](#) and [Privacy Policy](#).

Not a member yet? [Join KEMPINSKI DISCOVERY](#).

Don't have the Kempinski App? Download Here for [iOS](#) or [Andriod](#)

To avail of the offer, members must complete a qualified eligible booking via the Kempinski App within the promotional period (28 November 2023 - 24 December 2023) and complete the eligible stay related to that booking within the required stay period (28 November 2023 00:00 Central European Time (CET) - 31 March 2024 23:59 Central European Time (CET)). The eligible stay must be completed and the member must be checked out on or before 31 March 2024 for the Promotional D\$ to be awarded. Ongoing stays with a checkout date after 31 March 2024 will not receive Promotional D\$.

Consecutive stays with the same check-in date as the last check-out date at the same property will not receive Promotional D\$. The offer does not apply to bookings made between 15 December 2023 00:00 Central European Time (CET) and 24 December 2023 23:59 Central European Time (CET) for Kempinski hotels in China.

Bookings that include multiple rooms will be counted and considered as a single stay and rewarded only once. After a booking has been made, changes to the guest name are not permitted and will not earn Promotional D\$. Only bookings completed via the Kempinski App will be eligible.

Promotional D\$ are awarded in addition to the Base D\$ that are issued as a result of completing the eligible stay. Promotional D\$ are subject to a limited expiry term of six (6) months from the date of issuance and are therefore excluded from the Base D\$ expiration rules. Any Base D\$ earned on a member's stay will be subject to expiration based on standard tier-based expiration rules. This offer is subject to change or withdrawal without notice and is subject to availability.

"Ineligible rates" do not qualify for earning Promotional D\$. Stays that are booked prior to the promotional dates will not be awarded Promotional D\$.

"Ineligible Rates" shall include, without limitation: (1) third party online retailer rates, such as Expedia.com, Booking.com, Hotels.com, Orbitz.com, Priceline, Travelocity.com, etc. ("OTAs") (2) tours series rates and charter rates (3) room rates for airline staff and crew where rooms are pre-booked and paid for by the airline or directly; (4) travel-industry staff rates (5) other discounted rates; (6) any complimentary, free, traded or bartered night stays, or any stays in connection with gift certificates or other awards or vouchers. First stays on ineligible rates may receive DISCOVERY Dollars on a promotional basis, but these stays will not count towards tier qualification; subsequent stays on an ineligible rate will not receive D\$ nor will they count towards tier qualification.

This offer is subject to change or withdrawal without notice, cannot be transferred or exchanged for other forms of compensation, cannot be combined with any other offer or promotion unless explicitly stated and is subject to availability. D\$ are not redeemable for cash.
