WELCOME TO NATIONAL FOREST CITY

VALLEYS FORESTS AND SOARING MOUNTAINS SURROUND THE CITY OF GUIYANG

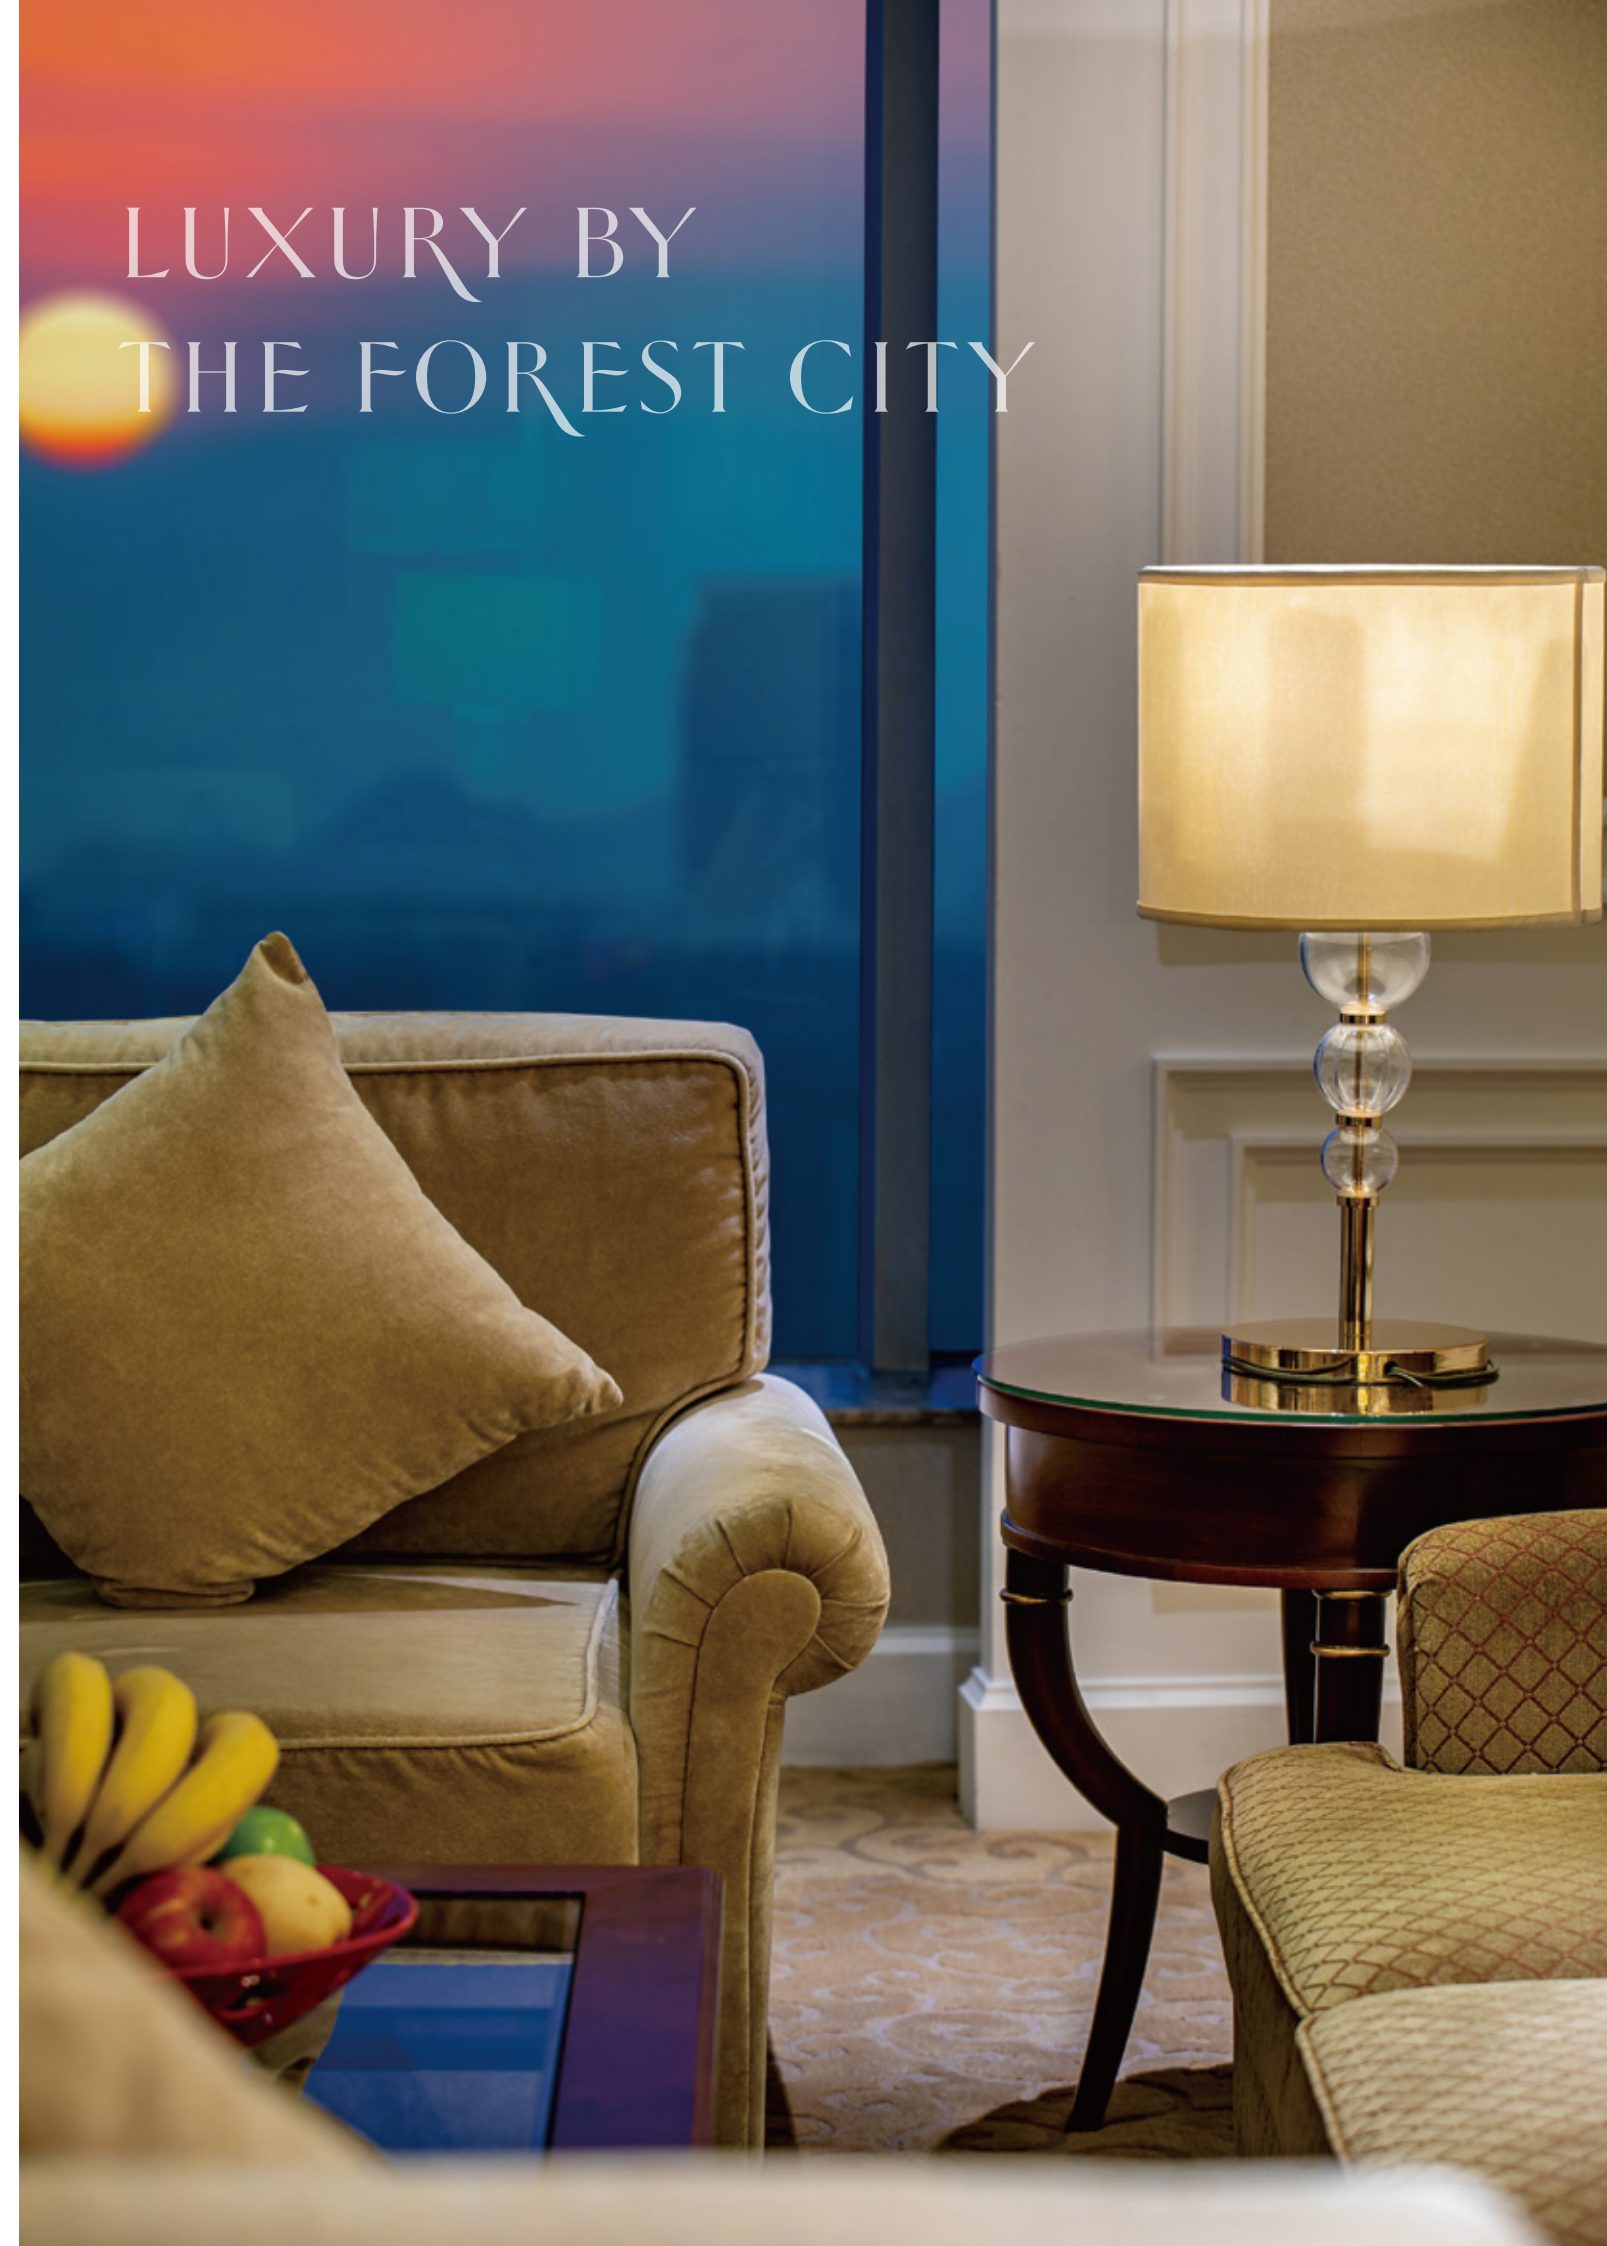

Guiyang is a beautiful eco-city surrounded by lush forests, verdant mountainscapes, blue lakes and the Nanming river. The city has a year-round pleasant and temperate climate. Significant rainfall ensures a healthy and vibrant ecosystem for the city's flora and fauna. Almost 50 per cent of the Yunnan-Guizhou plateau in Southwest China is covered in healthy forests. The city celebrates diversity and unique traditional customs with almost fifty ethnic minority groups like the Miao, Buyi and Dong people living in harmony.

— ROOMS & SUITES —

Offering excellent views of the city skyline, the hotel boasts 366 rooms and suites with eight different categories to choose from. The exquisite design, choice of materials, style and colour of the rooms all exude luxury and charm.
