广州德安丽舍凯宾斯基酒店

— WELCOME —

Kempinski Residences Guangzhou is located in the heart of the city in Yuexiu District, just a ten-minute drive to the business area. The ancient commercial city has undergone a transformation, offering guests the opportunity to explore its rich history, spanning two thousand years, or engage in discussions about the economic development of the Greater Bay Area.

— THE CHARM OF LINGNAN —

At every turn, guests encounter beautiful scenes and picturesque views. The designer has skilfully integrated Lingnan's ancient and enduring culture into various materials, creating a painting of rolling hills and cascading waters, carving delicate and elegant window grilles and crafting each piece into a lively and refined work of art. In Kempinski Residences Guangzhou, guests can delight in the artistic masterpieces of Lingnan's nature and humanity.

— ROOMS AND SUITES —

Its 261 guestrooms and suites have been carefully designed, following the style of Lingnan art and European luxury, with a unique design that fully demonstrates the concept of spiritual design and provides guests with a comfortable and elegant stay.

- ♦ All rooms with semi-enclosed suite design
- ♦ Kitchenette with full-size fridge, oven and coffee machine
- ♦ Separate bath with TV and walk-in shower
- ♦ All 2-Bedroom Suites and Elysee Suite equipped with Shower Heaven
